

REMARKS

I. Specification

Applicants submit an amended paragraph at page 1, line 12, that clarifies the priority information for the pending application.

In a telephone conversation on February 1, 2007 with the Attorney for Applicants, the Examiner requested that Applicants provide information regarding where the appendices were referenced in the specification and indicated that the objection to the appendices would be withdrawn. Applicants note that page 1, lines 26-29 of the application refers to each of the appendices, and to the extent the references cited in the appendices provide exemplary experimental details or other supplementary information, they are incorporated in the application by reference.

CONCLUSION

Applicants believe that these remarks fully address all outstanding matters for this application.

It is believed that no fees are required in connection with the filing of this document. However, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason relating to the filing of this document, the Commissioner is authorized to deduct said fees from Fulbright & Jaworski Deposit Account No. 50-1212/TUUT:010USC1.

Should the Office desire to discuss this case, the Examiner is encouraged to contact the undersigned attorney at (512) 536-3072.

Respectfully submitted,
